LEGISLATIVE COUNSEL'S DIGEST

AB 1584, as amended, Florez. California Infrastructure and Economic Development Bank.

Existing law requires the California Infrastructure and Economic Development Bank to establish criteria, priorities, and guidelines for the selection of projects to receive assistance from the bank and lists several bases for these criteria, priorities, and guidelines.

This bill would add, as a basis, that *among other factors*, priority be given to rural areas, areas having an unemployment rate higher than the state average, and areas that have undergone military base closure.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:
